

THEORY: What is it?

PART TWO

We may think of representation as

- MIMETIC: reflects reality

2

We may think of representation as

- EXPRESSIVE of our inner being

3

We may think of representation as

- DIDACTIC: a source of wisdom, lessons, prophecy, morality, ethics

4

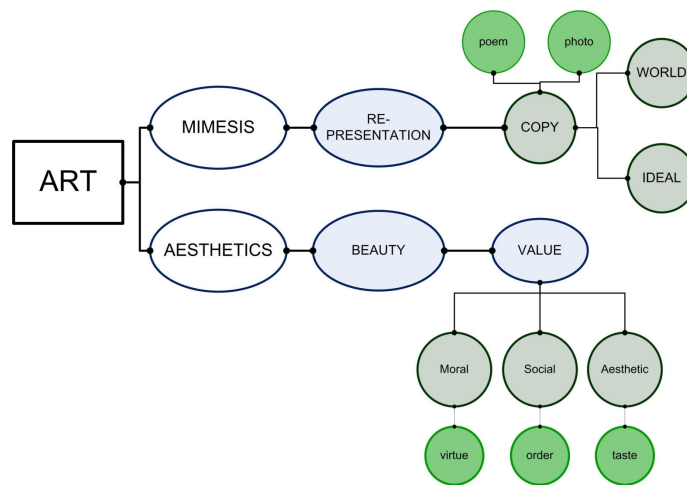

We may think of representation as

- AESTHETIC: as an object of beauty distinct from its mimetic, expressive or didactic function
